## ● Introducing DESSA

DESSA (Design, Engineer, Supply, Safety and Access) was founded in 2010 by a team of leading UK scaffolding experts. DESSA has grown to be a major supplier of temporary roofing and cladding systems, aluminium lattice girders, scaffold accessories, site stairways and safety products. DESSA became part of the Altrad Group of Companies in 2015 and continues to develop exciting, innovative and cost effective solutions. Offering design support services, DESSA has become the one-stop solution provider to contractors at all levels.

## ● DESSA ASTERIX Aluminium Beam Range

The ASTERIX beam range are manufactured to the stringent requirements of EN1090 ensuring every beam can be traced individually. These beams offer unrivalled strength capability and are compatible with tube and fittings and/or modular system scaffolds. Beams are joined using steel spigots and quick release pins. 18° and 36° ridge beams as well as bolt-free lacing and bracing kits are available from stock.
