

PORTABLE STAIR

BROCHURE 2018

Total Flexibility!

● Introducing DESSA

DESSA (Design, Engineer, Supply, Safety and Access) was founded in 2010 by a team of leading UK scaffolding experts. DESSA has grown to be a major supplier of temporary roofing and cladding systems, aluminium lattice girders, scaffold accessories, site stairways and safety products. DESSA became part of the Altrad Group of Companies in 2015 and continues to develop exciting, innovative and cost effective solutions. Offering design support services, DESSA has become the one-stop solution provider to contractors at all levels.

● DESSA Portable stair

The Portable Stair is specifically designed to provide quick and safe access in stairwells and any open voids. If you are in need of a flexible Temporary Stair Unit System, TRAD Safety Systems have the solution.

Manufactured by DESSA exclusively for Trad Safety Systems.
